City Reminders

Public Works Announcement:

DO NOT FLUSH WIPES! Public Works has asked that all residents please refrain from flushing items other than tissue, down the city sewer system. Many of these items may say they are flushable, they are not, they clog up the spiral auger causing the city to spend unnecessary money on repairs. Thank you.

Building and Zoning Department Announcement:

Reminder to residents to contact the City of Lisbon offices PRIOR to any construction work in order to obtain the correct permits or request an inspection.

The following are the only items that DO NOT require a permit:

- General repairs that do not alter the buildings openings/structure
- Window replacement
- Sheds under 12x12

All other work requires a permit.
