Notice: This permit becomes null and void if work or construction authorized is not commenced within 60 days of the issuance of the permit. Work must be completed within 12 months. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local laws regulating construction of the performance of construction. I understand that if I start construction prior to the issuance of a permit, a municipal infraction may be imposed which carries a penalty of up to \$750 for the first offense and \$1,000 for each subsequent offense. I, the undersigned, understand that I am responsible for correctly locating the property lines. The purpose of this Building Permit is to ascertain whether the project will comply with appropriate codes, ordinances and regulations. The City of Lisbon is not responsible for the location of easements, or determining whether covenants or restrictions of record apply to the project for which the application is being made. It is the Applicant's responsibility to locate all easements and determine whether covenants or restrictions of record apply to the project.
